Editor's Message . . .

The goal of the staff of the 1970 SEQUOYAH has been to bring to you, the students of Fair Park, a book that has captured at least some of the memories of 1970, the "Year of the Indians." We hope as you look through this book that you can relive a little of the joy that you received this year as a Fair Park Indian.

Without the tireless help of many people this SEQUOYAH would not have been possible. The staff wishes to extend their sincere thanks to Mr. Kurvis Burns and his staff of photographers who have helped us to capture the memories this book contains. Without the help of Mr. Fred Elsing, Sr. and Mr. Chuck Fowler, our Taylor Representatives, the 1970 SEQUOYAH would have not been possible. The administration and faculty deserve a special thanks for their understanding in the many times we needed their help. To Mrs. Reynolds' COE class we owe an unpayable debt. They always helped us whenever we needed their assistance on our deadlines. If it had not been for Mrs. Judy Reynolds there would never have been a yearbook. With her constant encouragement we were able to produce this book. And to all of the students of Fair Park, we say "Thanks" for helping us to make this book.

Jamie Edwards
